

ILLINOIS RECOVERY CENTER

HOPE • STRENGTH • COURAGE

OUR MISSION

We truly believe that everyone should have a chance to overcome addiction.

Our mission at IRC is to provide an opportunity for growth and freedom from active addiction, through establishing the needed foundation for recovery and a healthy lifestyle.

Illinois Recovery Center offers comprehensive support, a variety of evidence-based treatment programs and resources designed to help just about anyone suffering from the deadly disease of addiction.

At Illinois Recovery Center, located in Swansea, Illinois, we take into consideration all of the unique circumstances and needs of individuals who come to us for help in all stages of recovery. Our state-of-the-art rehab facility contains everything necessary to have a proactive treatment experience, and more!

We're proud to offer many levels of addiction treatment for those struggling with substance abuse. From personalized medical detox and residential treatment, to the individualized one-on-one care, we are the solution for all your addiction needs. Our comprehensive care approach implemented into our effective programs has given individuals and their loved ones an opportunity to heal and recover effectively with peace of mind.

And while our overarching goal is to offer treatment that is approachable and attainable for everyone, **our Main Mission is to offer quality addiction and mental health treatment that sets the highest standard and exceeds the expectations of our patients.**
